Playing My Part

- My life is not only worth living, but it is also the greatest investment I have to make.
- I am beginning to understand that this is a time in my life where God is giving me the opportunity to creatively write and wisely edit the scenes of my tomorrows; enriching and embellishing the script of each passing day as it is enfolded within the chapters of my own vibrant saga entitled; "My Life The Great Investment".

- I commit to submit my written Lifetime Commitment at SESSION (7) SEVEN
- Some of the "center stage" interests of my life that I want to earnestly consider for the investment of myself in this powerful and prosperous ceremony of recommitment are:

 - My relational growth and well being
 - My children and my children's children
 - My legacy building and planning
 - My family
 - My friends
 - My church
 - My spiritual growth and well being

 - My finances; my prosperous growth and well being
 - My education; my intellectual growth and well being
 - My style of life; my balance of life; my personal growth and well being
 - My health; my physical fitness and well being
 - My emotional growth and well being
 - My dreams; my passions; and my aspirations
 - Upon prayerfully contemplating the "center stage" interests of my life and considering at length those that I want to endue with "The Great Investment" that is my life, I now take up pen and ink to earnestly and unreservedly recommit myself to:
